The Honorable Representative Don Young
2111 Rayburn HOB
Washington, DC 20515-0201

Representative Young:

I am writing to thank you for voting to pass H.R. 1343, the Health Center Renewal Act.

It is because of your support and those of your fellow congressmen for the reauthorization of the Health Center Program that my health center here on the Kenai Peninsula, will be able to continue providing high quality, accessible care to countless of uninsured and patients that are most in need in my community. As we move into the summer mode, many a tourist will use our facilities as apposed to the Hospital Emergency room, saving our state millions of dollars and leaving room for emergency care in the ER. I know you're as concerned as I am that all who are in medical need get the help they deserve.

Once again thank you for your ongoing commitment to support the Health Center Program and for voting YES on H.R. 1343.

Sincerely,

Diane Fielden
