Washington, D.C. 20515

Dear Representative Young:

On behalf of the Board of Directors of Reading Is Fundamental, and the millions of children and their families we serve, I thank you for your ongoing support for this organization. Your continued willingness to be a co-sponsor of a Dear Colleague letter in support of funding for RIF is a remarkable testament to your strong support of children's literacy. Children across the country, whose families all too often cannot afford to buy books for them, benefit from the RIF literacy programs funded by Congress.

Thank you for your efforts to aid RIF's mission to bring the joy of reading and to prove the value of reading for children in communities around the nation.

Sincerely,

John F. Remondi
Chairman
