INTER-PARLIAMENTARY GROUP

April 26, 2021

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Mendenhall Wastewater Treatment Plant Improvements in Fiscal Year 2022.

The entity to receive funding for this project is City and Borough of Juneau, located at 155 S. Seward Street, Juneau, AK 99801.

The funding would be used to improve Juneau's largest and oldest wastewater treatment facility, the Mendenhall Wastewater Treatment Plant (MTP). The MTP was constructed in 1965 and received a major addition and upgrades in 1989. Since then, the City and Borough of Juneau has been investing heavily in keeping the plant running at an optimal level during changing regulatory requirements as well as an increase in both the volume and strength of the water treated.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Don Young".

Member of Congress
