April 21, 2021

Dear Chairman DeFazio and Ranking Member Graves:

I am requesting funding for the Seldon Road Extension, Phase 2 project in forthcoming surface transportation reauthorization legislation.

The project sponsor for this project is the Matanuska-Susitna Borough. The Borough offices are located at 350 E. Dahlia Ave., Palmer, AK 99645 and the project is located at Seldon Road, Wasilla, Alaska 99654.

The requested funding is designated to extend Seldon Road on a new alignment to the north and west from its current terminus at Beverly Lake Road and connect to Pittman Road.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits for Wasilla's residents. The project would provide increased access to both schools and fire stations between Meadow Lakes and Pittman Road. It also provides a separated paved path that will improve intermodal transportation and allow for safer non-motorized transport to schools and residences.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Don Young".
