Dear Chairman DeFazio and Ranking Member Graves:

I am requesting funding for the Captain's Bay Road and Utilities Improvements Project, Phase I in forthcoming surface transportation reauthorization legislation.

The project sponsor for this project is the City of Unalaska on the island of Unalaska. The City of Unalaska, the recipient and project manager, is located at 43 Raven Way P.O. Box 610, Alaska 99685.

The funding is designated to improve the safety conditions of the Captain's Bay Road in Unalaska.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits for the city and residents of the City of Unalaska. Currently, the windy nature of the roadway, heavy industrial use, drainage challenges and frequent rockslides are a hazard to motorists and pedestrians. The project's first phase would scale back the cliffs to eliminate the blind corners and reduce the risk of rockslides providing safety benefits to road users.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Don Young".
