Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Kuskokwim Health Sciences Facility in Fiscal Year 2022.

The entity to receive funding for this project is the University of Alaska, located at 2025 Yukon Drive, Fairbanks, AK 99775.

The funding would be used to renovate a structure at the University of Alaska's Kuskokwim Campus in Bethel, Alaska to expand their nursing and allied health programs. The renovated structure would serve as the new health sciences facility to support growth in enrollment and graduation rates in the School of Nursing, specifically focused on recruiting and retaining more Alaska Native and rural underserved students.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Don Young".
